## DIGITAL DOGS LAUNCHES STSAVA.COM

Dear friends at Digital Dogs,

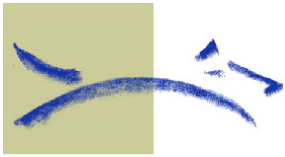

(SCOTTSDALE, ARIZONA – November 17, 2009) St. Sava Serbian Orthodox Church would like to thank you for your generosity in donating time and efforts to our new website. Your commitment to helping non profits in our community is sincerely appreciated.

Each year St. Sava continues to advance its mission to communicate with our parish members that live outside of church's demographics, or are unable to attend Divine Liturgy for various reasons. Through our website, we have been able to ensure that even remote members of our parish stay informed on the church's activities and religious observances.

In particular, our SerbFest annual fundraiser enjoyed great success this year as a result of highly effective communication to the community from our internet presence.

The goal of St. Sava Serbian Orthodox is to continue to make a difference in the community, both for the Orthodox faithful, as well as other community outreach organizations. With the help of donations from supporters such as Digital Dogs we will continue to maintain this commitment and be prepared to reach a new audience with the technological advances you have enabled.

Thanks again for your generous support of our church.
